

Terrific Tiddlers News Letter January 2018

We would like to welcome all the Tiddler children back after Christmas, and a warm welcome to our new starters.

Children's Focus Activities

This term we will be focusing on exploring winter time activities, inside and outside. We will also be exploring "The Rainbow Fish" and "The Tiger who came to Tea". The children will be able to explore puppets and props that accompany these lovely stories. We will also be finding out about Chinese New Year, with fun and messy activities centred around the festival.

Learning Story

We would like to remind all parents that you can access your child's learning story at any time. You can contribute to it by writing down activities your child does at home then pass it to their Key Person, who will then add it to the learning story. Alternatively, you are welcome to write a comment or two directly onto your child's scrap book. Please also feel free to bring in photos from outside of the setting to be added in, such as activities and days out having adventures!

Messy Play

Messy play is important for your child, giving them endless ways to develop and learn.

We try to keep your child's clothing protected with an apron, but please can parents make sure your child wears appropriate clothes for an active nursery day.

Communication Books

Please remember to check your child's communication book on a regular basis. You are also always welcome to record any messages on it for Staff to see.

Reminders

Please remember that mobile phones are not to be used anywhere in the setting-this includes the corridor.

We ask that Parents do not use the Staff car park.

Please ensure that we always have up to date contact details for Parents/Carers.

You are always welcome to come into the room, but please be aware when entering the play area that we have an indoor shoe policy, so we ask that shoes are either removed or shoe covers are used.

We look forward to an exciting Spring term with you all!
