

Dreamland- Portal Story

In a quiet village, where the sun painted the sky with golden hues, lived a curious girl named Lily. With her long, wild, curly hair and sparkling green eyes, she loved exploring the woods behind her house. One sunny afternoon, as she wandered through the whispering trees, she noticed a peculiar sight - a shimmering, silver door nestled between two ancient oaks.

Lily's heart raced with excitement. The door appeared to sparkle like a thousand stars, beckoning her closer. "What could be behind it?" she wondered, her mind swirling with possibilities. With a gentle push, the door creaked open, revealing a swirling vortex of various colours. Taking a deep breath, she stepped through the portal.

Suddenly, Lily found herself in a fantastical land filled with vibrant flowers that danced in the breeze and trees that whispered secrets. The sky was a brilliant shade of purple and fluffy clouds drifted lazily like cotton candy. "Wow!" she exclaimed, her eyes wide with wonder.

As she ventured further, she encountered a friendly dragon named Ember, who had scales that shimmered like jewels. "Welcome to Dreamland!" Ember roared playfully.
