### What is the best thing about the play equipment?

*Summary: It is fun and exciting to play on. Children enjoy a range of imaginative games and have got better at self-assessing risk (e.g. climbing and rope swinging).*

It is a lot of fun because it quite new and that makes it exciting. I use it every day that we are allowed to use it.

My favourite part is the hanging ropes on the pirate ship.

You can play with friends on it and have fun.

The best thing about the play equipment is that we can have lots of fun.

It is really fun and you get to climb.

The climbing area of the pirate ship.

Because it has given us something different to play on.

The pirate ship. I like the climbing.
