Re: Tiddler Room

Dear Parents/Carers,

Following a review of our business by Norfolk County Council representatives, we were advised to make changes to our organisation. As a result in September, we reduced the number of days in which the Tiddler room was able to open, from five to three. This is part of ongoing work to ensure the setting is financially viable following the reduction in income during the pandemic. We have since reviewed these circumstances and it is with our sincere regret to inform you, that the Tiddler Room will cease to operate, on Wednesday 21st December 2022 and will remain closed for the foreseeable future.

The decision to close the Tiddler room was not made lightly, we hope it will be a temporary measure and that it will be possible to re-open again in the future.

Please accept our apologies for any inconvenience this may cause.

Yours sincerely

Karen Armes & Susan Sayer
Managers

Little Pirates Childcare
