## About Us

At Drake Primary School we offer wrap around child care every day.

Our Wrap-Around Child Care is designed to provide flexible, reliable support for families needing childcare care beyond regular school hours.

Whether you're a working parent or simply need extra coverage, we offer a safe, nurturing environment for children before and after school. Our dedicated staff focus on engaging activities that encourage learning, creativity, and social development, allowing children to unwind, make friends, and enjoy their time outside the classroom.

We access the full amenities within our school grounds - the MUGA, Crinkle Crag and the Forest School area.
