

## What our Parents say about us!

Just want to say the biggest 'Thank you' for looking after \*\* in her first few months at nursery. We are so grateful for you both, as we know she is in the best hands with you.

Thank you for welcoming \*\*\* into the Friendly Fish room. Thank you for all the support and guidance and helping \*\*\* to potty train. Your hard work hasn't gone unnoticed and we are very thankful.

I will never be able to Thank you all enough for your kindness, support and encouragement that you have given to \*\*\* and \*\*\* over the last year. I am so very grateful that I made the best choice for nursery.

\*\*\* has had the best time at nursery. Thank you so much for all the fun she's had and the memories she has made during her time with you all.

Thank you so much for all of your help and effort you have put into \*\*\* development. You have all helped changing \*\*\* life for the better and we will forever be in your debt.

Having \*\*\* start nursery was a big step for us and we were so nervous for her as she has always been so shy. Turns out we didn't need to worry as she's loved it. Thank you guys so much!

Thank you for the last year \*\*\* has gained so much confidence and that's all down to you! I am sad to see her move up and leave you all, you have big shoes to fill.

I would like to say 'Thank you' for all your dedication, amazing work and care you have provided for my son over the last 4 years.

It was such a wonderful afternoon and really nice that both parents could come. Thank you for all the kindness and support you have shown \*\*\* and the things you have taught him. Thank you for your support in navigating a really scary allergy and doing everything in your power to ensure it was safe for him to be at nursery.
