Norwich Castle

Year 3 visited Norwich Castle and took part in some 'Mystery of Prehistory' workshops. They learnt about changes in Britain from the Stone Age, through the Bronze Age to the Iron Age. The children enjoyed acting out Neolithic village life, sorting flints in an archaeology workshop, Bronze age weaving and classifying Iron Age metals.

Neolithic people had to find flints to make fire and tools. They used flint knapping to sharpen their tools.

Samuel J

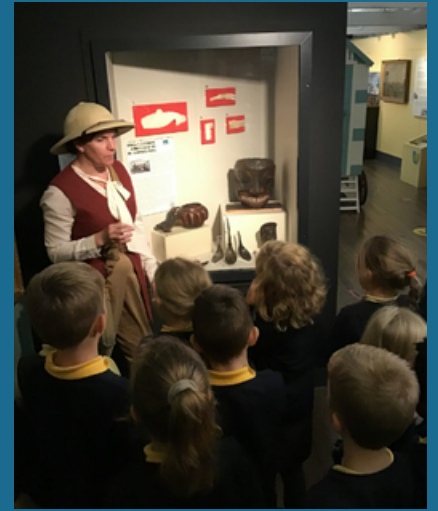

Neolithic people had to hunt for food and gather berries.

Thank you for all your kind donations for Thetford foodbank.
We are taking the food next week.

Time and Tide Museum!

Year 2 went to the time and tide museum where they met 3 explorers who each taught them a skill you need to be a great explorer! They learnt about curiosity, bravery and respect. They took part in a learning activity with each explorer which included making spirit animal masks, guiding a ship to Colombia and discovering artefacts.

Molly said "It was really fun and my favourite part was when we met the explorers".
Milly said "My favourite part was meeting Randall the explorer and he was really scared and we helped him to be brave".

Cooper said "I loved the newspaper that was wrong because it said ladies can't be explorers and that's not true".

Albert said "I really enjoyed making masks of our spirit animals".

Our Spooky Scarecrow!

Check out our amazing entry for the Thetford Garden Centre Scarecrow competition! It will be on display at the Pumpkin Patch at the garden centre throughout October, They have lots of fun activities planned for October weekends. Well done art council!
